**Subject: Survey to collect information on preparedness to face emerging challenges in school education and to study their opinions on various issues related to school education in the changed educational ecosystem caused by Covid-19 pandemic.**

The present survey is an effort to collect evidences for analysing the impact of lockdown on school education to better design resilient policies. The survey majorly focusses on defining the major challenges in quantitative terms to be dealt to continue the educational activities during the lockdown and post lockdown period. The survey, by examining the preparedness level in schools, would also provide inputs for refining the educational policies to facilitate achievement of optimum level of learning outcomes in this period.

School are requested to fill and submit the google form available at the link:

<https://forms.gle/9MsEcqFJxgknsSy7>

Honest answers to all questions, thus, are of critical importance in the formulation of appropriate policy response to address challenges in school education. The individual identity of schools will be kept confidential and the survey results will be used only for academic/administrative purposes.

Schools are requested to complete and submit the attached google form latest by **31<sup>st</sup> of July 2020**.

Yours Sincerely,  
Dr. Joseph Emmanuel
